Dates **2023 –**
Occupation or position held **Manager**

Main activities and responsibilities The manager of the ICT Business Srpska is responsible for representing and advocacy the interests of the Association and its members. ICT Business Srpska is an independent, non-profit association of employers and other legal entities from the territory of the Republic of Srpska that perform activities in the field of information and communication and other related activities. It is one of 15 associations of the Union of Employers of the Republic of Srpska, an organization that gathers employers from the private and public sector on a voluntary basis, whose mission is to represent their interests, provide appropriate services, and establish and improve business relationships. The vision of the Union of Employers of Republika Srpska is to become an organization that, through the practical experience and reputation of its members, contributes to the growth of employment, sustainable business, the affirmation of a favourable investment climate and the development of social dialogue, all with the aim of creating, through partnership with institutions, a society of work and prosperity.

Name and address of employer ICT Business Srpska – Union of Employers of ICT of the Republic of Srpska, Đure Daničića 1, 78 000 Banja Luka, BiH, <https://ictbusinesssrpska.com/>
