

## Admission Brochures for International Students

### Brief Introduction of TUTE

Tianjin University of Technology and Education (TUTE), founded in 1979 , is the first normal universities focusing on cultivating teachers for vocational schools in China. TUTE sticks to the educational philosophy of “Hand and Mind, All-round Development” with its mission of training highly qualified vocational teachers for the country. To meet the market demand, TUTE also focuses on cultivating applied technicians for the society. Since 1990s, the university initiates a new cultivation pattern of “Double-Certificate System” to cultivate talents. “Double-Certificate” refers to the degree certificate and the national technical qualification certificate, which the students get upon graduation. With this distinctive teaching model, the university has won twice the first Prize of National Teaching Achievements Award. It is the only one local university cooperated by China Central Government and Tianjin Municipality.

TUTE started to enroll international students since 1993. It has long been qualified to recruit students under various scholarship programs , including Chinese Government Scholarship , Confucius Institute Scholarship and Tianjin Government Scholarship. The scale of international students has expanded continuously since 2003. TUTE enrolls nearly 1,000 international students from more than 70 countries for both short-term and long-term study yearly. Currently there are undergraduates and postgraduates from more than 32 countries, including Europe, Australia, New Zeland, Ethiopia, Thailand, Laos, Uzbekistan, Tanzania, Pakistan, Vietnam, Guinea-Bissau, Malaysia, etc. are studying at TUTE.

TUTE has more than 18,000 full-time students at the levels of undergraduate, postgraduate and PhD in 7 disciplines of engineering, education, science, management science, economics, literature and art , with 46 undergraduate programs. In addition, TUTE owns some international research organizations, such as World Skills Competition China Research Center, Center of African Union Studies, Association of Universities (colleges) of Applied Sciences and The Transformation of NativeColleges

Development Research Center, and International Education Aid Centre of Ministry of Education etc.

The transportation around TUTE is very convenient, with bus stations, subway stations around. It takes 40 minutes from TUTE to Tianjin Railway Station, or Tianjin West Railway Station by subway or bus, and 30 minutes to Tianjin Binhai Airport by taxi. Also, it only takes 35 minutes by intercity between Tianjin and Beijing, the capital of China.
