Faculty related information

Facts & Figures

The faculty is organized in four institutes: Management and Business Studies, Economics, Economic Law and Vocational Education. 45 professors and more than 100 researchers take care of approximately 5.000 students. Every year, our faculty provides a warm welcome to more than 150 new international students. We are proud to entertain close international relations in both research and teaching. Our research activities focus on:

- *Economic Behavior & Governance*
- *Digital Transformation*
- *Capacity Building & Entrepreneurship*
- *Sustainability, Energy & Environment*
